Hi Shoren,

Also, a quick reminder to be sure to include in the meeting request, who is going to be talking on what specific issue? Much easier to pre-brief the Administrator that way.

Thanks,

Scott W. Fraser

It's good to catch up with you both this morning - we're all firing on the right cylinders.

As a reminder, if you could just firm up who will be coming in person and make sure their bios are included in the attached, I'll get the final request docs to the Administrator's scheduler. As we discussed, 5 min of comments from 3 - 4 leaders in your group (Chris Wood, Whit Fosburgh, et al) would be about right so that there's at least 10 min of discussion with the Administrator in the 30 minute session.

Seems like the group may be smaller than previously estimated due to your 10:00 meeting at the White House, but whatever number you decide we should be able to accommodate. Our security seems tougher than DHS, and I typically tell folks it's at least 10 minutes for a small group to get through. With names in advance and perhaps splitting the group between the Ariel Rios North and South lobbies, I hope to fast track folks through.

I'm glad at least we were able to lock in April 16th 11:30 - noon on the Administrator's calendar so far.

Best,

Scott W. Fraser

Scott -

Thank you for taking the time to catch up on friday - it is much appreciated. I would like to introduce you to Mr. Nastri who will be helping with this as we move forward - as I said on the phone Wayne knows the ins and outs of EPA very well and should be a valuable asset should you need his assistance.

I have attached a number of documents - all of which are in draft form. We will get you the formal meeting request that we had planned to use for Administrator Jackson this evening.

Schedule for our trip to DC:

Monday April 16: Meetings all day on the hill and with agency officials. This would be the best day for us for the round table.

Tuesday April 17: Meetings all day on the hill and with agency officials

Tuesday April 17: Reception in the US Senate - see below

Attached:

1) Draft participant bios

2) Draft invite to a reception we are hosting in the Senate Tuesday evening

Very best -
